

WHAT IS A PEO?

A **Professional Employer Organization** (PEO) enables clients to responsibly and cost-effectively offload the management of human resources and other employment-related tasks including employee administration, workplace safety, compliance, unemployment and workers compensation claims, risk management, benefits, payroll, payroll tax compliance and more.

Through this co-employment arrangement, the client and the PEO contractually share employer responsibilities and liabilities. PEO clients come in all sizes and industries, and are enabled to focus on their core competencies to maintain and grow their bottom line, while the PEO concentrates on what they do best.
